IN BARTON COUNTY.

'THE FAMOUS!'

DRY GOODS, CLOTHING, BOOT SHOE HOUSE OF GREAT BEND!

Will commence their FIRST GRAND CLEARANCE SALE ON DECEMBER 1st, AND CONTINUE THE SAME FOR THIRTY DAYS. We invoice stock January 1st. From this date till then we propose to close out our entire stock to make room for one of the largest stocks of Spring goods ever opened in the west, and in order to do this we shall make prices so low that every buyer of goods will find something to interest them. The Goods Must Go, If They Do Not Bring Half Their Value, as it is contrary to our system of doing business to carry or repack any goods. Our prices are made to close out the present stock, and you will find them 25 per Cent Lower Than Any Other House in the West. Remember this grand slaughter in prices of Dry Goods, Clothing, Boots and Shoes will only last thirty days, and in order to secure some of the many bargains you should come at once, while the stock is full and complete.

Cancer of the Tongue.
My wife, some three or four years ago, was troubled with an ulcer on the side of her tongue near the throat. The pain was incessant, causing loss of sleep and producing great nervous prostration. Accompanying this trouble was rheumatism. It had passed from the shoulders and centered in the wrist of one hand, she almost losing the use of it. Between the suffering of the two, life had grown burdensome. By the use of a half dozen small-sized bottles of Swift's Specific, she was entirely relieved and restored to health. This was three years ago, and there has been no return of the disease. H. L. MIDDLEBROOKS. Sparta, Ga., June 5, 1898. Treatise on Blood and Skin Diseases mailed free.
